Actual tool crop by student

- (A) Antigua and Barbuda
- (B) Saint Kitts and Nevis
- (C) Grenada
- (D) Saint Lucia

Student trajectory

Reasoning after the tool call

Upon analyzing the cropped image, the highlighted country is a small island located in the eastern Caribbean. The shape and position of the highlighted area suggest it is one of the smaller islands in the region. Comparing it with the given options, the highlighted country matches the geographical features of Saint Lucia. Saint Lucia is known for its distinctive shape and location in the eastern Caribbean, which aligns with the highlighted area in the image. The cropped image provides a clearer view, confirming that the highlighted country is indeed Saint Lucia.

Final answer

The country highlighted in the map is (D) Saint Lucia. The green box is located in the eastern Caribbean, and Saint Lucia fits this description.
